A Bible Study for Women

BAD GIRLS OF THE BIBLE, is a Bible studying using the popular *book* that offers a clear-sighted, life-changing approach to understanding those “other women” in Scripture—Delilah, Jezebel, Rahab, Lot's wife, and six more. The book’s author and Bible study combines a contemporary fictional retelling of their stories with a solid, verse-by-verse study of their lives and the lessons we can learn from them. Whether they were Bad to the Bone, Bad for a Moment, or Bad for a Season, but Not Forever, these infamous sisters show us how not to handle the challenges of life. - **Led by Sandy Garland**
